

After School with IQ Science -- a PTA fundraiser!

Join us for one or more 4-week sessions of in-depth hands-on science fun for Grades 3-5. Students keep most of their experiments to share with you!

SAMPLE FLYER

SESSION dates and topics (ex. Thursdays):

October 5, 12, 19, 26: rise of the machines (levers, ramps!, pulleys?)

Nov 9, 16, 30, Dec 6: go with the flow (liquids, solutions, gak)

Jan 11, 18, 25, Feb 1: contents under pressure (gasses)

Feb 29, March 7, 14, 21: egg-citing engineering

April 4, 11, 18, 25: it's alive (bugs, plants...) OR Light up my life (study of light waves, prisms, refraction and reflection – including a lesson on the April eclipse)

COST

\$ **TBD** / student / 4-week session.
Each session requires a minimum of 10 participating students to run.
Otherwise, payment will be returned and the session will be cancelled.
Maximum enrollment is 33, unless classroom size limits restrict it further.

FUNDRAISING

After the first (8-12) students have registered, any additional registration fees go in full to your school's PTA. The more students sign up, the more successful the fundraiser.

PARENTS

For each 10 students enrolled, the presenter will need a parent helper to attend every week, help students, assist with cleanup, and oversee parent pickup. Earns a 50% refund for your help!

Each week:

- Session times will run from 3:45 (what time is bell?) until 5:00 pm*.
- Students may bring a healthy snack to consume before 4pm if food is permitted in the classroom
- Students who cannot respect the supplies, the classroom, or their fellow participants will not be allowed to enroll in future sessions

*Students not picked up by 5:10 will be charged a \$10 late fee plus \$10 every 10 minutes thereafter.
